Meeting Minutes

Centre Board meeting took place on the 7th February with attendance from Nigel Smith. There was a suggestion to run an East South Wales Centre Trials Series which Caerphilly club have committed to host one of the rounds in September or October this year. Further information will become available when known.

Wentwood enduro is shaping up. Entries are being received and all areas have been addressed with the green light from the Forestry Commission, Woodland Trust, Newport Council and Monmouth Council. Any club member wanting to ride please get your entries in ASAP.

Hangover Trial on the 3rd January was a massive success with 53 entries. Thanks to all club members who supported on the day and made it the success that it was.

AGM took place on the 25th January 2011 and all committee members are in place.

The Christmas Bash at Castle View Indian was well attended and feedback was that it was a worth while event which should be repeated in the future.

Decision was made by the committee to purchase a new gazebo. We currently have two but one is beyond repair and a replacement is needed. **Responsibility Paul Martin**

Decision was made by the committee to sponsor the Welsh Trials Website as we did in 2010. This allows the club to advertise our events and results on the website at a cost of £50 for the year. **Responsibility Paul Martin**

We as a Committee have now decided to bring our club website up to date. Many thanks to Paul Lear for battling along with the current website for so many years and a job well done! Liz Childerley is taking on the mantle of creating and managing the new site which will in its initial stages be designed by a web designer and then handed over to Liz to manage. It is going live on the 1st May and will only work if we all give input to Liz, so please anything going on let Liz know.
